IWG/AM-8
Control No. 441362
12 March 1953

MEMORANDUM FOR: IWG

SUBJECT: Transmittal of Draft Memoranda on IWG Procedures Prepared
by IWG Subgroup on Concurrence and Clearance

1. Attached for consideration by IWG at the meeting scheduled for 19 March 1953 are draft memoranda which outline suggested IWG administrative and operational procedure.

2. These memoranda have been prepared in draft form so as to permit members of IWG to pass upon their format and substantive content. Following IWG approval, the attached (as revised within IWG) will be transmitted to the Executive Secretary, EDAC, for distribution within the EDAC structure. It should be noted that a transmittal memorandum, prepared for use by the Executive Secretary, EDAC, has been worded in such a way as to show the IWG origin of the attached administrative and operational memoranda and their proposed distribution within the EDAC structure.

3. The attached were prepared by a drafting subgroup on behalf of the Concurrence and Clearance Subgroup. It has been reviewed by this Subgroup and is being forwarded before complete substantive agreement has been reached in order to expedite IWG review.

4. Members are requested to review the attached in the light of the above explanatory note and be prepared to comment, but not necessarily express agency positions thereon, at the 19 March meeting.
